

But to show how degraded we are, I got a piece up there out of the paper where it showed that when our American boys went overseas in this last war, that over, I believe, it was around 70%— Well, now, wait a minute, I believe it was three out of four that went overseas was divorced by their wife before they got back. And great big headlines says, “What’s Happened to the Morals of our American People?” You remember seeing it? All of you did, I guess. What’s happened to the morals of our American women? Plants, working out yonder with other men— It’s a woman’s nation. What’s she going have? A woman god—or a goddess.

Now, then after that, I turned and looked, and I saw this United States burning like a smolder; rocks had been blowed up. And it was burning like a heap of fire in logs or something that just set it afire; and looked as far as I could see and she’d been blown up. And then the vision left me. Five out of the three has happened—five out of the seven, rather, has happened.

## **1932: 7-Event Vision**

In the Bible we can read how God revealed to Daniel things which would take place before the end of time. King Nebuchadnezzar had a dream he could not interpret.<sup>1</sup> The dream troubled the king, so he commanded that all his magicians, astrologers, sorcerers, and Chaldeans be brought to him to interpret his dream. They asked the king to tell them his dream, but the king could not remember it. The king demanded they tell him both his dream and the interpretation of it. When they could not, the king became angry and commanded they all be killed.

Daniel heard about this when they came for him, since he was one of the wise men of Babylon.<sup>2</sup> He asked the king for more time, and said he would show him the interpretation of his dream. During the night, the Lord showed Daniel the dream and the interpretation of it. He praised the Lord, saying, “*Blessed be the name of God for ever and ever: for wisdom and might are his: And he changeth the times and the seasons: he removeth kings, and setteth up kings: he giveth wisdom unto the wise, and knowledge to them that know understanding.*”<sup>3</sup>

When Daniel was brought before the king, he told him, “*The secret which the king hath demanded cannot the wise men, the astrologers, the magicians, the soothsayers, shew unto the king; But there is a God in heaven that revealeth secrets, and maketh known to*

1 Daniel 2

2 Daniel and his three friends had been brought into captivity, but they had gained favor with the king. The king had found them to be 10 times better than all the others in all the matters of wisdom and understanding that the king had enquired of them.

3 Daniel 2:20-21

*the king Nebuchadnezzar what shall be in the latter days.*"<sup>4</sup> Then Daniel told him his dream and gave the interpretation of it.

Nebuchadnezzar's dream was of the governments of the Gentile world from his day until the end of time. In his dream, he saw an image that stood before him whose brightness was excellent and whose form was terrible. The image's head was of fine gold; his breast and his arms were of silver; his belly and his thighs were of brass; his legs were of iron; and his feet were part of iron and part of clay.

After seeing the image, he saw a stone cut out without hands smite the image upon his feet that were of iron and clay and it break them to pieces. Then the iron, clay, brass, silver, and gold were broken to pieces together and became like the chaff of the summer threshing floor, and the wind carried them away that no place was found for them. The stone that had smitten the image became a great mountain, and it filled the whole earth.<sup>5</sup>

God gave the interpretation to Daniel. Nebuchadnezzar, who was a great king over the Babylonian kingdom, was the head of gold. After him would come another kingdom that would be inferior to him (the silver), which was the Medes and Persians. After that was a third kingdom (the brass) that would bear rule over all the earth, which was Alexander the Great, the Grecian kingdom.

The fourth kingdom would be strong as iron: forasmuch as iron breaks in pieces and subdues. The feet and toes were part potter's clay and part iron, showing the kingdom would be divided, but there would be in it of the strength of the iron. The toes were part of iron and part of clay, so the kingdom would be partly strong and partly broken. The iron mixed with miry clay showed that they will mingle themselves with the seed of men, but they will not cleave one to another even as iron is not mixed with clay.

And in the days of these kings, the God of heaven will set up a kingdom which will never be destroyed. It will not be left to other

5 Daniel 2:31-35

Now, the fifth thing. "Science will progress in such a way until they will make a car that will not have to be guided by a steering wheel, and the cars will continue to be shaped like an egg until the consummation," the end time. I seen American family going down the road in a broad way, riding in a car with their backs turned towards where the wheel should be; looked like they were playing checkers or cards. And we got it. It's on television. "Popular Science" — "Mechanics," rather, all have it; we got the car. It's controlled by remote control by radar. They won't even have to have any steering wheel in it. Just set your dial like this—like you dial your phone—your car takes you right on to it, can't wreck nor nothing. No other cars—the magnet keeps the rest of them away from you. See? They got it. Oh, my. Think of it. Predicted 30 years before it happened.

Now, that brings us then to the election of President Kennedy, and this car coming on the scene, bringing five things out of the seven that has happened exactly.

Now, I predicted and said, "I saw a great woman stand up, beautiful looking, dressed in real highly royals like purple, and I got little parenthesis down here, "She was a great ruler in the United States, perhaps the Catholic church." A woman, some woman— I don't know her to be the Catholic church. I don't know. I can't say. Only thing I seen, I seen the woman; that was all.

But this is a woman's nation. This nation is number 13 in prophecy. She's got 13 stripes, 13 stars; she started 13 colonies— 13, 13, everything's 13, appears in the 13th chapter of Revelations even. She's 13, and she's a woman's nation.

The divorce courts of America produce more divorces by our women than all the rest of the nations. The morals in our country is lower, and divorces, than it is in France or Italy, where prostitution's on the streets so— But they're prostitutes; ours is married women trying to live with several men, and several married men trying to live with other women.

In the nations where they have polygamy, it's a thousand times better. And yet, polygamy's wrong; we know.

hearing me say that, say “Amen.” [Congregation replies, “Amen.”--Ed.] All right. A second world war. I said, “The President that now is (I copied this off of the old Scripture—old thing yesterday) —that the President that we now have, which was (how many remembers whose it was?) Franklin D. Roosevelt.” I said, “The President we have in now will run even in the fourth term— (He’s on his first then.) —will run into the fourth term, and we will be taken to a second world war.”

I said, “The dictator that’s now arising in Italy (which is Mussolini), he will come into power, and he will go to Ethiopia; and Ethiopia will fall at his steps.” There’s people setting here now that knows that there’s a group of people come and stood (when I was having my meeting in the Redman’s Hall down there that night, when I had to go down there to preach that, Redman’s Hall) —was going to throw me out of the hall for saying such a thing (Here— Yeah, Mrs. Wilson, I know you’re— That’s right.) —when I said that. But did he do it? But I said, “He’ll come to a shameful end,” and he did. Him and the woman he run with was turned upside-down and hung on a rope in the street with their feet up, their clothes hanging down. All right, that come to pass.

And then I said, “The women has been permitted to vote. Which is a—absolutely a disgrace upon the nation. And in voting, someday they’ll elect the wrong man.” And they did that in this last election. My, my.

Four: I said, “Science will progress in such a way—” No, here, that’s third. Pardon me. Here’s the next now.

The fourth, I said, “Our war will be with Germany, and they will build a great big concrete place and fortify themselves in there, and the Americans will take a horrible beating.” Almighty God knows that Who I stand before now; I seen those independent Nazis kicking the Americans like that and things at that wall. And there’s many boys standing here now that was at that Siegfried Line that knows what it was. And remember, that was 11 years before the Siegfried Line was built. Is God true? Does He still foretell things to happen? Watch. That’s— that was the fourth.

people, but it will break in pieces and consume all these kingdoms, and it shall stand for ever.<sup>6</sup>

The 10 toes of this image represent 10 kingdoms that were to rise. In them would be iron and clay mixed together. The iron came from the legs, which is Rome. Through the Catholic Church there is a streak of Romanism mixed in every nation. The iron and the clay did not mix.

In the 1960’s, Brother Branham gave an example of the iron and clay not mixing. The name Khrushchev means clay, and the name Eisenhower means iron. When they met together in 1960, Eisenhower represented all the western nations and Khrushchev represented all the eastern nations. There was nothing they could say to make it so they could get along. During this meeting, Khrushchev took off his shoe and beat it on the stand. Notice, it was not his fist, not a hammer, not a book, but it was his shoe, showing we are in the last governments of the world before the end of time.

Brother Branham also said other things about the Roman Empire.<sup>7</sup> In 1956, Brother Branham said, “When we see all the eastern and middle eastern powers, when we see the eastern and western world again uniting, see them two feet in Daniel’s vision. See? It’s just repeating again, and it’s a revival of the old Roman Empire, coming up as certain as I’m standing here. It’s true.”<sup>8</sup> In 1961, the Berlin Wall was constructed, separating West Berlin from East Berlin and East Germany. It was a symbol of the Cold War. In 1962, Brother Branham said, “If they give the western part,

or the eastern part of Berlin back, that puts communism just—or I mean the Roman Empire, just exactly in the old circle it was in the time of Jesus. Certainly it does, perfectly.”<sup>9</sup> In 1989, the Berlin Wall was no longer in effect, and then was torn down in pieces. By 1990, East and West Germany were reunited. In 2009, evidence of the old Roman Empire reviving occurred when the Lisbon Treaty of the European Union was put into force.

Just as God revealed to Daniel those things which would take place from then until the end of time, God also showed Brother William Marrion Branham seven things which would happen before the end. Five of the seven things have already happened. Brother Branham referred to these in several sermons,<sup>10</sup> but had the most complete accounts in *Hybrid Religion*<sup>11</sup> and in *The Seventieth Week Of Daniel*.<sup>12</sup>

In *Hybrid Religion*, Brother Branham read from the original yellow paper. In *The Seventieth Week Of Daniel*, he read from notes he had made from the original paper. In *The Seventieth Week Of Daniel*, it appears he put the events in the order of the five which had been fulfilled and then the other two which had not been fulfilled.

We will use the text in *Hybrid Religion* as the main reference since he read from the original paper. The entire account from *The Seventieth Week Of Daniel* is included at the end of this pamphlet.<sup>13</sup> After the entire text from *Hybrid Religion*, we will list each event with several quotes from other sermons. ### The Seventieth Week Of Daniel

The following is the section concerning the 7-event vision in the sermon *The Seventieth Week Of Daniel*, August 6, 1961, Jeffersonville, Indiana, USA.

Now, listen. To you old-timers here in the church that’s been here for a long time, I want you to notice something. I never learned this until yesterday. I picked it up from historian, Paul Boyd, and I traced it back through the Scriptures, picked up these other dates here, and so forth, and got it, and run it—traced it through.

Now, in 1933 when we were worshipping over here in the Masonic temple where the Church of Christ stands today, on one April morning before leaving home, I was dedicating my—a car (I got a ‘33 model car, and I was dedicating it to the Lord’s service.), and in a vision I saw the end time. Now, notice how striking this is. Back yonder when I was just a boy. And you can imagine what a 1933 model car looked like—now, what it looked like.

And I went over there to the Masonic temple where—Some of you old-timers in here remembers; it’s wrote down on an old paper at home. It’s already in print and went out around the world. See? That was in 1933. And I predicted that there would be some great tragedy happen to this United States before or by the year of 1977. How many remembers me saying that? Look at the hands. Sure.

Now, watch. I predicted seven things was yet in the making of the—before this great consummation or great thing would take place here in the United States—some great horrible thing. I said— Now, remember, this is before it started. I said we would go into a second world war. How many remembers

not been fulfilled, we will give many more quotes so some of the details can be watched as they come to pass.

This vision, which we refer to as the 7-event vision, apparently took place sometime between November 1932 when Franklin D. Roosevelt was first elected as President of the United States and the very beginning of 1933. It is likely it took place in 1932. We derive this from the information Brother Branham gives.

On November 13, 1960, when Brother Branham read from the original yellow paper he wrote the vision on, he read, “nineteen-hundred and thirty-two,” as the date on the paper. “I’d like to read something to you. ‘1932:’ (Listen to this. As I was on my way— Or—) ‘As I was getting ready to go on my way to church this morning, it came to pass that I fell into a vision.’” Then a little later as he is reading, he says, “‘The President which now is, President Franklin D. Roosevelt—’ (Now remember this is 28 years ago.) ‘—will cause the whole world to go to war.’”<sup>14</sup> In this section he read the date as “1932” and he said it was “28 years ago.” The sermon was preached in 1960, subtract 28 years, and the year would be 1932.

When he commented about the vision on May 1, 1955, he said, “Now, it’s written on old paper laying at the house today, dated way back in 1933— ‘32 or ‘33. Going to Sunday school one morning, I was caught away in a vision—” A little later, he said, “Wrote 23 years ago,” which would be 1955 minus 23 years is 1932. He continued a little later on to say, “That was in 1932, or something like that.”<sup>15</sup>

Since another major event took place in 1933 (he received his commission from the Lord<sup>16</sup>), 1933 was a prominent year to Brother Branham. This could be why he referred to this vision as taking place in 1933. In general, Brother Branham often referred

<sup>14</sup> *Hybrid Religion [Condemnation By Representation]*, November 13, 1960, Jeffersonville, Indiana, USA

<sup>15</sup> *Faith Once Delivered To The Saints*, May 1, 1955, Chicago, Illinois, USA

<sup>16</sup> See “1932/1933” in *The Acts Of The Prophet* by Brother Pearry Green

to various events as taking place “the other day,” when the event actually took place years prior to when he was telling it. So the exact dates events occurred are not always easy to define.

This vision was originally thought to be seven visions instead of one. But as the ability to easily research what Brother Branham said became more readily available, we found it was one vision with seven major events. These things are why this vision has been referred to as the “seven visions” that took place in “1933.”

When this vision took place, Brother Branham was still a Missionary Baptist minister in Jeffersonville, Indiana. They were holding their church services in an old orphans’ home on Meigs Avenue, where Charlie Kurn lived in part of the building.<sup>17</sup>

Brother Branham had obtained a 1933 Ford. On this Sunday morning, he dedicated that Ford to the service of the Lord. Then before he left home to go to church, he started to get his Bible, and then he went into this vision of the end time coming.

In the vision Brother Branham saw some dreadful things take place. After telling them, some people were so shocked they wanted to throw Brother Branham out of the hall for saying such things; others wanted to throw him in jail or lock him up.

Remember, we are looking back at history on five of these prophecies which have been fulfilled. Public opinion of Mussolini was not bad at the time of the vision, and for some it still is not. People at that time could not believe the newly elected President, Franklin Roosevelt, would help lead the world into a world war. So when Brother Branham first told this vision, these events were shocking to the people who heard them.

---

<sup>17</sup> Brother Branham refers to this building using several names including Redman’s hall, the old Masonic home, the Masonic temple, the Odd Fellows’ building, and the old orphans’ home. This building no longer stands, and a Church of Christ group built another building in its place at the corner of Meigs and East 9<sup>th</sup> Streets.

All of these events are to happen before the end of the world. Five of them have happened or are continuing to happen; two are left. What are the odds of the other two happening?

must listen. It was a warning. Now the same thing to this nation.

Then you say, “Brother Branham, last Sunday you said, ‘There wasn’t a hope.’” Yes. “Why?” It’s spurned its call. It’s got to receive it. It’s going to receive it. There’s coming a time when this nation’s going to go to pieces. I saw it in 1933. See? I looked off—

You said, you might’ve said, “Well, it didn’t happen then.”

But it’s going to happen. Neither was Mussolini in power. Neither was the Maginot Line<sup>87</sup> built. Neither did the car look like an egg in them days, and the things. Neither did the women elect a President that would look like a college boy, and all these other things. Neither would there be a Catholic President, and so forth, spoke of.

About 30 years ago or more, these things were predicted. But He only showed me way off down to the end. And as that thing approaches, time by time, that cup’s filling up.

And repentance has been preached by Billy Graham, Oral Roberts, and who else. Prophets and so forth has crossed the nation with signs and wonders, and she continually wades into sin. That’s the reason they don’t repent; repent brings it.

Notice Ahab never repented at the rebuke of Elijah. If Ahab would’ve repented and walked softly before God, the thing would never happen. But Ahab come down there and done took Naboth’s vineyard, and had him murdered, and all these evil things. And Jezebel—

That prophet walked out there with “thus saith the Lord.” But what did they do? She only threatened to kill him. What happened? His prophecy was fulfilled; the dogs eat her and licked Ahab’s blood, just exactly according to his word. He saw the cup full.”<sup>88</sup>

The following is the entire text of this vision from the sermon, *Hybrid Religion*.<sup>18</sup> The items inside quotation marks are what Brother Branham read. You can hear this in his voice as you listen to the sermon. While he is reading the vision, the items in parenthesis are the comments he is making. After he is finished reading, he makes more comments and repeats another prophecy concerning 1956 and one concerning a President who would be a crew cut, playboy, beatnik-type, lady’s man.

⋮ ⋮ ⋮ ⋮

I’d like to read something to you.

“1932:” (Listen to this. As I was on my way— Or—) “As I was getting ready to go on my way to church this morning, it came to pass that I fell into a vision. Our services is being held on Meigs Avenue at the old orphans’ home, where Charlie Kern lives in part of the building.” (He lives just across the street now, you know.)

“And it came to pass that while I was in this vision I seen some dreadful things take place. I speak this in the name of the Lord.”

“The President which now is, President Franklin D. Roosevelt—” (Now remember this is 28 years ago.) “—will cause the whole world to go to war.”

“And the new dictator of Italy, Mussolini, shall make his first invasion towards Ethiopia. And he will take Ethiopia, but that’ll be his last. He shall come to his end. We will be in war with Germany. Watch Russia.” (Now, that’s—) “Communism, Nazism, and Fascism. Watch Russia. But that is not the main one to watch.”

“It shall also—has been an evil thing done in this country; they have permitted women to vote. This is a woman’s nation, and she will pollute this nation as Eve did Eden.” (Now, you see

18 *Hybrid Religion [Condemnation By Representation]*, November 13, 1960, Jeffersonville, Indiana, USA

why I'm hammering the way I do. I got 'thus saith the Lord.')

"In her voting she will elect the wrong person."

"The Americans will take a great beating at a place that Germany will build, which will be a great wall built of concrete." (The Maginot Line [Siegfried Line<sup>19</sup>], 11 years before it was ever built.) "But finally they will be victors."

"Then when these women help elect the wrong person, then I seen a great woman rise up in the United States, well-dressed and beautiful, but cruel in heart. She will either guide or lead this nation to ruination." (I've got in parenthesis:) "Perhaps Catholic church."

"Also, science will progress, especially in the mechanical world. Automobiles will continue to get like egg shape. Finally they will build one that won't need a steering wheel." (They've got it now.) "It will be controlled by some other power."

"Then I seen the United States as one smoldering, burnt-over place. It will be near the end."

(Then I've got in parenthesis:) "I predict that this will take place." (Now, remember, the Lord ne— That's what the Lord showed, but—) "*I predict this will take place before 1977. Upon this prediction, I base because of the onrushing slaughter that's coming now.*" (How fast that it was moving, how long it'll take till this nation meets its place.)

Now, look what happened now, in— President Franklin D. Roosevelt took America to England's tea party. That's right. Germany never picked on us; we picked on them— threw the whole world into a war, to cause a world war.

The Germans built the Maginot Line,<sup>20</sup> which there, any veteran here knows what she took there at the Maginot Line.

19 Brother Branham often confused the name of the Maginot Line (built by France prior to World War II) with the Siegfried Line (built by Germany).

come to pass. I seen a powerful woman stand up to the United States. You can write this down if you do so— It's going to happen. I don't know— She's on her road now. Exactly. And she took over. And then I seen the United States just like something had burnt it over— hit it— and just something— blowed up rocks and things."<sup>82</sup>

"Over the nation it looked just like where rocks was blowed out and stumps was smoldering, and so forth."<sup>83</sup>

"Then I seen the end time when the United States looked like a big bunch of bursted up stones and things like that, just blowed out, smoldering everywhere."<sup>84</sup>

"Then after that, I turned and looked, and I saw this United States burning like a smolder. Rocks had been blowed up, and it was burning like a heap of fire in logs or something that just set it afire. And looked as far as I could see and she'd been blown up. And then the vision left me."<sup>85</sup>

"Finally He told me to look back east again, and when I did, I seen, looked like as it was, the world had exploded. As far as I could see was nothing but sticks, and smoldering rocks had been blowed up out of the earth. And these were to happen before the end of the world."<sup>86</sup>

“A great woman will rise up and be President, or something like that in the nation, and then there will come a total annihilation; the entire nation will be wiped out. And that I predict— now this is not the Lord saying this —the other about the woman and this is the Lord— But I predicted in 1933 that the world would be total annihilation before ‘77. So I didn’t know then that they had something that could annihilate it, like they got now, but I seen the nation in total annihilation— just stumps of trees and things like that left. So it’s on it’s road.”<sup>78</sup>

“Then I turned to look and I seen the United States was a smoldering something had burned it up.”<sup>79</sup>

“The next thing was a great woman, a church, or power or something, to take over in this United States and rule. Then I seen it just like ashes laying, where it come to the end. It was the end time.”<sup>80</sup>

“I said, ‘Then I looked again, and I saw the United States just blowed to pieces. There wasn’t nothing left on it.’ And I predicted then. ‘Now this—that was thus saith the Lord.’ And think. Of five of those seven predictions has already happened. The church to take ahold, the Catholic church. And the coming of the end time— And I said, ‘I seen, looked like just stumps a burning, rocks blowed out, and the whole United States just looked bare, laying like that, as far as I could see where I was standing.’”<sup>81</sup>

“So then I seen the time of the end coming, and five things that the Lord let— Seven things I saw, five of them has already

Women, given the right to vote, elected President-elect Kennedy—the woman’s vote, the wrong man, which will finally be to full control of the Catholic church in the United States; then the bomb comes that explodes her.

There’s seven things predicted, and five of them has already happened. So you can judge yourself how far away we are. We’re near the end. If them five things happened, these other two things are bound to happen. It’s just got to happen.

I do not think that Mr. Kennedy will have much effect now, because he’ll make a wonderful President in order to bring in the others to get a scene set just like they have in England, like they did Mexico, like they did everywhere else, like that. And the American people, so unstable, not spiritually; they’re smart, but too smart for their own good. Intelligence swings backward sometime and backfires. So they— I’m preaching on that this morning, in a little bit.

So we find out we’re right on the verge— The reason I said this, that’s the reason I pressed that the other day so hard the way I did, but it was that that did it. That’s right. Women’s vote that put—

Did you notice the rallies on the television? Nixon to be pretty near all men. All of them wanted to kiss Kennedy (the women), jumping astraddle the cars and everything like that, jumping up and down.

And now, let me bring something else. I haven’t got it written here, but on magnetic tape (and this is taped too):

In 1956 in Chicago, Illinois, standing at that Lane Tech High School— (They were there.) I said, “This year is going to be the changing point of America.” I just come from overseas— don’t know why I come. Come back; canceled my meetings in Africa and around—come back. Billy Graham, something mysterious, he canceled his. Tommy Osborn canceled his. And we all crossing the United States in meetings. I said, “America will either receive or reject Christ this year.”

Then I said, “When they elected in Indiana, a 22 year boy— year old boy to be judge,” the Spirit of the Lord came on me and I said, “They’ll finally have a President that’ll be one of these crew cut, playboy, beatnik-type Presidents, a lady’s man.”<sup>21</sup>

Now them’s predictions years ago. See where we’re at? It’s later than we think.

So I think that these messages on these Seven Church Ages is timely. Let’s be in prayer and study. Now, if you disagree and say, “I think Brother Branham’s wrong,” that—you got a right to do that; but before we do it—before you do, let’s search what the Lord has said with the Scriptures. See if— And then the prophecies, what was given that would come to pass, and look to see where they come to pass or not—

Now, it’s on tape and so forth. You know it’s spoke years ago, and here it is now coming to pass.

Mussolini went down to Ethiopia, didn’t he? Those poor colored people down there with scythe’s blades and sticks to fight with. And them—modern machinery—he just slaughtered them down. Come back blowing about it, but he met his doom. That’s correct.

And the Americans— And the Germans built the Maginot Line,<sup>22</sup> and they— And Americans taken a hard beating there but finally overcome. Exactly right. You veterans brethren

21 When Brother Pearry Green read this at a prophecy conference at Wheaton College, which he was invited to by Brother Billy Graham, he held up a picture of young Bill Clinton (with a crew cut haircut) shaking hands with Jack Kennedy. This was during the Monica Lewinsky scandal. He could see the 274 men that attended that conference turning to each other and whispering, “Bill Clinton.” “Bill Clinton.” “Bill Clinton.” Let me just ask you, if Bill Clinton wasn’t that man, then where are you going to find a crew cut man for President?

“It also said, ‘And it shall come to pass, that before the end time shall come, that automobiles will take on the shape of an egg, become more like an egg. And I saw an American family driving down a highway in a car that— They were setting facing one another, and had a table, and were, look like, playing checkers or cards. And they didn’t have any steering wheel in the car. And it was controlled by some power without a steering wheel. How many remembers me prophesying that?’”<sup>76</sup>

Science has progressed. (The atom bomb, nuclear bomb, many other things, etc.) Automobiles have continued to get more egg-shaped. Compare the shape and mechanics of a car in 1933 to those of today. The cars of 1933 did not look like eggs; they were straight backed and box shaped. Then they began to round the edges of the vehicles.

When Brother Branham and I were together, and we saw a Tucker automobile one time, and an Edsel another time, Brother Branham patted his chest as he said, “Brother Green, every time I see one like that, my heart goes like this, because I see my vision coming to pass.”

The current science magazines and Internet articles continue to display cars that are continuing to meet the rest of the descriptions of the vision more and more completely. Even to not being able to drive more than a certain speed in certain zones, and so on.

Ⓢ Ⓣ Ⓤ Ⓥ

The final event in this vision showed “the United States as one smoldering, burnt-over place. It will be near the end.”<sup>77</sup> As far as Brother Branham could view, it was blown to pieces: rocks were blown up out of the earth; stumps were smoldering everywhere; he saw her with nothing but ashes. Then the vision ended.

Now, and you find out then that women given the rights to vote, and they elected a President that they should not have elected. See? That's that fall.

And the face of that, now, we're coming up to this next meeting, coming up. And be prayerful, and pray hard now that God will bless us and will open our understandings, that we might know the hour that we're living.

Let us bow our heads now for a word of prayer. Our gracious Lord, as in one way I feel shaky to know that this world is at the end time. I would not know what nation to flee to. There is no more refuge, only looking up. For it is told us when these things begin to come to pass, then look up for our redemption is drawing near.<sup>23</sup>

Oh God, I pray for the sinful world today, in its condition, to see how everything is going on. I pray that somehow, Lord, that You'll speak to every heart, every minister, that he might be a burning flame in these last days to call to repentance and back again to the faith, the church of the living God. As we know, we're living in that Laodicean Church age, where that they'll be lukewarm.<sup>24</sup> I pray, Father, that You'll let us hold tight to that what we have: Christ, looking for that day of His appearing.

Though we speak against it and give a voice against it, yet we know in our hearts according to Thy Word, it's going to be anyhow. For Thou has said so. But in that day

Encourage us today, Lord, by Thy Presence. And in the little tabernacle, give us of Thy blessings, Lord. Anoint us. Bless those who sang this morning the wonderful songs of Zion that we cherished in our heart through the years, knowing someday we'll stand and sing those songs in the presence of the Lamb.

Bless the Word today, and anoint the message, Lord; for we ask it in Jesus' name and for His sake. Amen.

Brother Branham saw that Franklin Delano Roosevelt would help cause the world to go to war. In another quote he said the vision had also shown President Roosevelt would run into the fourth term. “The President we have in now will run even in the fourth term— (He's on his first then.) —will run into the fourth term, and we will be taken to a second world war.”<sup>28</sup>

Six and one half years after he took office, America was drawn into World War II. This war began on September 1, 1939, and ended with the surrender of Germany on May 8, 1945, and with the surrender of Japan on August 14, 1945.

President Roosevelt was elected for four terms. His time in office spanned 12 years: March 4, 1933, to April 12, 1945, when he died of a massive cerebral hemorrhage. When he died, Harry S. Truman took office as the 33<sup>rd</sup> President of the United States.

To prevent another President from being elected for several terms of office, and possibly becoming a dictator, the 22<sup>nd</sup> amendment to the Constitution of the United States was ratified on February 27, 1951. This amendment limits a President to being able to be elected to a maximum of two terms of office.

20 20 20 20

Another event Brother Branham saw was the new dictator of Italy, Benito Mussolini, would make his first invasion towards Ethiopia and he would take Ethiopia, but that would be his last. Mussolini would come to a disgraceful, shameful end. The vision also showed we would be at war with Germany and there would be three isms which all would wind up in Communism.

“I said, ‘There’ll be three great isms, Communism, Fascism, and Nazism.’ And I said, ‘They’ll wind up in one ism, and that one ism will dominate the world and will burn the Vatican City.’”<sup>30</sup>

“‘There’s going to be three great isms—which is now in existence. One of them is in Rome, which is Fascism, and one of them is in Germany which is Nazi—Nazism. And the other one is in Russia, which is Communism.’ I said, ‘Those three

great isms is the unclean spirits that went out of the mouth of the false prophet, and the dragons, and so forth that will unite themselves together, speaking things that they should not, and they'll all beat at one another, until they'll finally wind up in one ism. And I predict that that will be Communism. And Communism will burn the Vatican City.”<sup>31</sup>

“How that Mussolini would make his first invasion to Ethiopia, and he would take it, but he'd come to a disgraceful end. And how that then the three isms—Nazism, Fascism, and Communism—would all wind up in Communism. And how many in here remembers me just keep having you stand, and say it over like that, ‘Watch Russia. Watch Russia, the king of the north. Watch Russia, king of the north. Watch Russia, king of the north?’ How many has heard me just say this, wave that over, over? “One day down there at the Odd Fellow's building, before we ever come to here, I said, ‘Mussolini will come to a shameful end.’ I said, ‘His first invasion, he will go to Ethiopia; and Ethiopia will fall at his step, but he'll come to his end, and nobody will help him; and disgrace will he be buried.’ There he is. I said, ‘There's three isms has rose up: Nazism, Fascism, and Communism.’ I said, ‘Them isms will revolve and come around into one; it'll be Communism. Watch. he made a statement saying that he would no longer be a hypocrite, because it was the United States government expressing the preference of a particular religion.

The vision also showed science would progress, especially in the mechanical world. Automobiles would become more shaped like an egg. Finally, they would build one that would not need a steering wheel; it would be controlled by some other power. He saw an American family going down a broad way, riding in a glass-topped car with their backs turned towards where the steering wheel would be. They were playing some type of game, while the car ran by itself, going around the curves and everything.

“I said, ‘Just before that time comes, that automobiles—’ Which was built that old straight back, 20 years ago or 25 years ago. You can remember 20 years anyhow. I said, ‘They'll look like an egg.’ They'll be shaped. That's a vision. Be something on the shape of something like that. And that's the way they'll be just before the rapture.”<sup>60</sup>

“And at that time, automobiles, just before the coming of the Lord, will be in the shape of an egg.”<sup>61</sup>

“I saw a vision, that before the coming of the Lord, that cars would look like an egg.”<sup>62</sup>

The divorce courts of America produce more divorces by our women than all the rest of the nations."<sup>56</sup>

"Then I said, 'I seen a woman stand in the United States like a great queen or something. And she was beautiful to look at, but wicked in her heart. And she made the nation step—go to her step.'"<sup>57</sup>

From the history so far, we see the original American flag, which was adopted on June 14, 1777, contained 13 stripes and 13 stars. As the union grew, more stars were added to the flag. The earlier coins also had 13 stars. As early as the 1800's, coins and dollar bills had pictures of women on them. Often it was the Statue of Liberty, but other bills and coins had (and still have) pictures of women on them.

There was a time when the post office would not place a candle and a wreath on a Christmas stamp, lest it represent some particular religious sect.<sup>58</sup> Then they published a female angel, blowing a trumpet, and called it Michael the archangel. "Then said that there's three isms: Nazism, Fascism, and Communism. And I said, 'They'll all wind up in Communism. Russia will take it all in Communism.'"<sup>36</sup>

Keep in mind that in early 1933, Russia was not recognized by the government of United States as a legitimate country. Russia had a revolution in 1917, but President Roosevelt never exchanged ambassadors with them until November 1933.

History shows Benito Mussolini was the founder of Fascism. During 1922 to 1943, he was made the prime minister and then became the dictator of Italy. He invaded and conquered Ethiopia in 1935 to 1936. In 1943, Mussolini was arrested and no longer was in control of the Fascist Party. His end was disgraceful and shameful. Italian partisans captured and shot both him and his mistress (Clara Petacci) on April 28, 1945. After they had shot them, they hung Mussolini upside down with his mistress and other compatriots. His body was hit and spit upon by his own people.

“‘Then I seen some great powerful woman rise in the United States.’ Because this is a woman's nation; woman's picture on the money; everything is woman here. That's right. She's a goddess. Not you Christian women. I'm talking about— Let a little flapper<sup>54</sup> come down the street here with all these shorts, and things. She can do more harm to the church of the living God, among men, than all the bootleg joints there is through the nation. That's right. This is a— America is a woman's nation. Got her pictures, Her number's 13, 13 colonies, 13 stripes, 13 stars, 13 so— Everything is 13, 13, 13 and a woman. See? And I seen a great woman rise up, beautiful to look at, but a cruel wicked heart. And that will be a church. And she's on her road now.”<sup>55</sup>

“I saw a great woman stand up, beautiful looking, dressed in real highly royals like purple. And I got little parenthesis down here, ‘She was a great ruler in the United States, perhaps the Catholic Church.’ A woman, some woman—I don't know

over there from that women, wine, and big time, and he lit right down in Hollywood. Now instead of us sending to Paris to get models, they send here to get models. What did it do? It got— We— You wouldn't let your children go to the picture show,<sup>49</sup> but it got right into the television, moved right on out and contaminated the whole thing, run her right on out. And here we are today, all the little girls and boys all like some kind of these television actors. What is it? It's making a way. Boy, one ill-famed woman can send more people to hell than all the bootleg joints you could put in a city. That's right."<sup>50</sup>

"This is a woman's nation. It's the number 13; it appears in the 13<sup>th</sup> chapter of Revelation; 13 stars; 13 stripes; 13— everything is a 13. Everything is a woman. And remember, thus saith the Lord, there will be a woman rule before the end time. She will either be President, Vice President, or it will be the Catholic Church as a woman. I've seen her: A great woman, the nation bowed to her. It'll be one before the end time. Thus saith the Lord. Write it down and find out, you young people, see if it happens. If it isn't, I'm a false prophet."<sup>51</sup>

"Look at the prophecy the Lord give me in '33, how it would happen. 'They'd permit women to vote; in voting they'd elect the wrong person.' Seven things was given; five of them's already happened. The next thing was a great woman, a church, or power or something, to take over in this United States and rule. Then I seen it just like ashes laying, where it come to the end. It was the end time."<sup>52</sup>

"Then I said, 'There will be in that time, during that

It wasn't Ahab that did it; it was Jezebel behind the throne that controlled it. It's that Jezebel system that's going to do the damage here."<sup>41</sup>

The vision also showed Germany would build a great wall of concrete and they would fortify themselves in there. The Americans would take a great beating at that place, but it showed they would finally be victors.

"'Our war will be with Germany, and they will build a great big concrete place and fortify themselves in there, and the Americans will take a horrible beating.' Almighty God knows that—Who I stand before now—I seen those independent Nazis kicking the Americans like that and things at that wall. And there's many boys standing here now that was at that Siegfried Line that knows what it was. And remember, that was 11 years before the Siegfried Line was built. Is God true? Does He still foretell things to happen?"<sup>42</sup>

"How that the Americas would go to war with Germany, they'd take an awful beating at a place called, a great line where there would be concrete fortified in there; I believe it's called the Siegfried Line. And there's one called Maginot; I believe that was the French. Was that right? And the Siegfried Line was the German line. And the Lord let me see that 11 years before it was built. And they never would admit getting a beating on it—the Americans wouldn't—till they almost sunk the complete army. When they went in there, the Germans

had their guns just trained right out on that fleet, and let it get right in there, and almost sunk it.”<sup>43</sup>

Germany built the Siegfried Line (also known as the Westwall) to extend from the Swiss border to Luxemburg. The Siegfried Line was made up of a maze of crisscrossed concrete and steel obstructions, pillboxes, and bunkers that were camouflaged. The system was made of four lines of defense. The first two lines were for artillery and infantry; the third and fourth lines were for anti-aircraft defenses. The first line was thickly studded with concrete blocks and bunkers, so much so that an area 1½ miles long and ½ mile deep contained 70 interconnected pillboxes. Most of the pillboxes were camouflaged well enough it was difficult for the aviators to find them. Some bunkers had 6 feet to 12 feet thick concrete walls with steel plates up to 6 inches thick.

It was not well publicized, but the Americans took a hard beating there.

When the women help elect the wrong person, the vision showed a great woman would rise up in the United States. She would be well-dressed and beautiful, but cruel in heart. She would either guide or lead this nation to ruination. In parenthesis, Brother Branham wrote, “Perhaps the Catholic Church.”

“Now remember, I still say this: ‘Before the end time comes—’ (Wrote 23 years ago.) ‘Before the end time comes, there’ll be a woman that’ll be a great ruler in this nation. She will either be President or something on that order, some great woman.’”<sup>44</sup>

“I predict that a woman will be President before we’re annihilated. That’s right. I said that in 1933 by a vision. Sure, it’s a woman’s world. Where did it start from? Hollywood.

All your dirty, filthy dressing and things that’s what’s crept into our homes and things like that. And now comes through television, everything else. It’s a disgrace. All of our revivals won’t help nothing till we get back to the good old fashion foundation again.”<sup>45</sup>

“I predict that before the coming of the Lord that a woman will be a great ruler in the United States, ‘cause it’s a woman’s country. Started in Hollywood, that’s how it run right on out.”<sup>46</sup>

“I seen a woman lying, vulgar as she was, and dominated the country. And I predict that a woman will either be President, or do, or come into great power of some sort in the United States before the total annihilation of the world.”<sup>47</sup>

“And I said, ‘Remember, in that day, before the end time comes, before the end time comes, that a woman—’ Now, you all keep this wrote down. ‘There’ll be a great powerful woman raise up, either be President, or dictator, or some great powerful woman in this United States, and she’ll sink under the influence of women. Now, you remember that’s ‘thus saith the Lord.’ See. And she’s wrong. And what is it given away to? Let me tell you. Be spiritual; let’s open up, look. Why is it doing that? To give the Catholic Church a place to come in. See? You worship these movies stars and all these other different things out here.
